Snow Removal Parking Policy for Stonegate and Bon Aire

- Overnight parking on the street is permitted between November 15th and April 1st.
- No Parking is permitted on the street while it is snowing or snow if forecast, day or night.
- When snow has stopped and the Department of Public Works has plowed curb to curb, residents may exit their lots and park on the street.
- Please make every effort to put your car back into the condo/co-op lot once it is plowed so the Department of Public Works can continue to clear the roads.
- Parking is only allowed on the regularly permitted side of the street.
