CERTIFICATE OF AMENDMENT TO THE DECLARATION OF
STONEGATE HOMES AT SUFFERN ("CONDOMINIUM")

FILED
JUL 11 2012
ROCKLAND COUNTY
CLERK'S OFFICE

The undersigned, being the Secretary of Stonegate Homes at Suffern certifies that the following resolution amending the Declaration and By Laws which was originally recorded in the Rockland County Clerk's office on June 29, 1971 in Liber 892, page 106 ("Declaration") was duly passed by the required majority of unit owners at a duly called meeting held on June 21, 2012.

NOW THEREFORE, BE IT RESOLVED, that Article VIII, Section 1, of the By-Laws of Stonegate Homes at Suffern is amended to add the following subsections (**as indicated in bold**), as follows:

"Section 1.a. No unit may be rented for the first three years after it is acquired."

"Section 1.b. Violations of this subsection may be enforced by: seeking an injunction; commencing an eviction proceeding; assessments of amounts of \$100 per day for each day that a violation exists, or a minimum of \$1,000, whichever is greater; collection of costs or enforcement, including legal fees and costs; suspension of parking privileges; and any other means provided for in the By-Laws or Rules and Regulations.

AND BE IT FURTHER RESOLVED that, in order to administer leasing procedures and ensure that leases comply with the Condominium's governing documents and New York Condominium Law, and that they be explicitly subject to them, an initial house rule and regulation, which may be amended from time to time by the board of managers, shall read as follows:

"All Leases must be for a 1 year term only. All leases must have attached the condominium's lease rider. No unit may be leased except after compliance with the board's policies, as they may be amended from time to time."

AND, because administration of this procedure will necessarily take time and expense, and because the board members are volunteers who may chose not to administer and oversee the leasing rules and regulations, and because the condominium's managers or attorneys would charge the condominium a fee for overseeing the administration of this burden, and in fairness the fees should be borne by the leasing owners, and not the balance of the unit owners as a common expense.

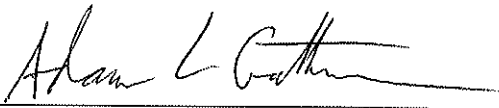

NOW THEREFORE, be it further resolved, that the board may charge and collect, and allow its management and attorneys to charge and collect, reasonable and customary fees for overseeing and administering the leasing procedures and ensuring compliance with them, and an initial house rule and regulation is established as follows:

The condominium's board of managers, outside management company, and attorneys may charge an administrative and compliance fee to unit owners leasing their units, in reasonable and customary amounts to be set by the board from time to time.

AND, in order to comply with the amendment procedures of Article XII, Section I, as amended, the Secretary and other officers of the Condominium are authorized to sign certificates memorializing this Amendment, and to record them if appropriate, but only if and after the required majority percent of Unit Owners in number and common interest approve it.

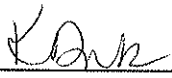

Pursuant to clarifications made at the meeting, this resolution is effective as to units acquired after June 21, 2012 only.

Dated: July 9, 2012

Smoking Policy
Enacted: 6/2012

In compliance with the Rockland County law on a smoking in multiple residence dwellings, the board has enacted a smoking policy as follows:

The smoking policy of the condominium is designed to meet, at minimum, compliance with all State, County and local regulations, including the New York State Clean Indoor Air Act, the Rockland County Sanitary Code, and Rockland County Local Laws concerning smoking in multiple dwellings. Upon enactment of a superseding or amending law, this policy shall immediately be deemed amended to remain in compliance.

Smoking is prohibited in all common areas, including but not limited to public hallways, and meeting or community rooms, as well as in all management offices, maintenance garages, shops, and storage rooms located on the community premises.

Smoking is prohibited under contiguous awnings or overhangs which are physically attached to the building.

No smoking signs are to be posted and to remain in all indoor public and/or employee areas of all multiple dwelling units.

All owners are obligated to advise prospective purchasers, tenants, residents and guests of this smoking policy. Occupants must be provided with a copy.

Smoking is permitted in all dwelling units, provided that no fume, smoke, or odor may escape from the unit into any other unit or any common area.

In the event the condominium board determines, in the sole and reasonable discretion, that smoking emanates from a particular unit and is not contained therein after notice of violation and reasonable time to cure, which time shall not exceed 10 days from the notice, smoking shall then be prohibited in that unit.

Neither the community nor the board guarantees any resident a 100% smoke-free environment. The implementation of the smoking policy is designed to comply with all laws, but creates no liability for an alleged failure of the smoking policy to work or for an alleged failure to enforce it.

This smoking policy is effective 5 days after it has been mailed to the unit owners, but in no event later than June 1, 2012.
